

# e-mail

## Don't talk back...

Let your fingers do the talking.

Now, with the new

### Vista 450

and its wireless

keyboard, e-mailing

has never been easier.

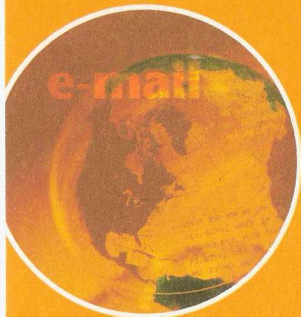

Why should you upgrade your  
**Vista 350** to the **Vista 450**?

Vista  
450

To have the world **at your fingertips.**

The Vista<sup>†</sup> 450 lets you:

- Send and receive e-mail messages quickly with E-mail Access\*.
- Type e-mail in a breeze. With its wireless keyboard, the Vista<sup>†</sup> 450 is almost like having a computer. And it even tucks away for compact storage.
- Access services like home banking effortlessly.
- Double your personal directory just like that. With the Vista 450, you can speed-dial up to 100 names and numbers.
- Double your caller list in a snap. The Vista 450 records up to 50 incoming names and numbers for easy call return.

Upgrade to a Vista 450 today! Visit your Hamilton  
Bell Phonecentre™ store for details on payment options.
